PRESIDENTS MESSAGE

Greetings Everyone,

Our beautiful summer seems to be passing, there is a chill in the mornings and the feeling that Fall will be here soon.

Our Summer Party was a hit, thanks to Darlene Rempfer, Carolann Schleicher, Jan Potter, and Julie Ginocchio. We are on our way to making our fundraising goal for Tech Trek. Look for a flyer soon that announces a Wine-blending seminar offered by Patricia Watters and her husband. This event will be open for a small number of people on November 14 as a fundraiser for Tech Trek.

It was terrific to see so many of you at our September 11th meeting on Genealogy. Ellen McBride was knowledgeable, entertaining and charming. She explained how data could be collected. Shirley Hale shared stories about her Scottish ancestors and brought the most beautiful framed family tree to demonstrate what could be done with the facts once the data was collected. We all enjoyed this program very much

We are looking forward to the upcoming meeting on October 9th at Incline Village Library that will be a Chautauqua presentation with Sarah Winnemucca. It should be fun and entertaining.

Just a reminder that by joining AAUW you belong to a community and we are asking for your help with making our organization and Tech Trek a success. If you have ideas for fundraisers, general meetings or parties please contact me; I'd love to discuss them with you.
