

## January 2020

### CO-PRESIDENTS MESSAGE

As we look ahead, 2020 is nearly upon us, and it is going to be an eventful year... we will celebrate the **100<sup>th</sup> anniversary** of women getting the right to vote, as well as the most important election in our lifetime where issues that matter the most to us are at risk. Primary elections are coming up March 3. Now's the time to begin planning at the branch level how to address these activities in our communities. Women who vote can influence the outcome of an election!

What opportunities could our branch consider?

**Voter Registration.** AAUW CA is well positioned to undertake voter registration, especially with our college/university relationships. Millennial women are an important target group. Research shows that a lack of information on the candidates and a lack of policy debates on issues of importance is the main reason some millennial women don't participate in the election process and may not even register to vote. We could get involved by organizing a [voter registration drive](#) at Sierra College in Truckee (would need to coordinate with the Incline chapter regarding Sierra Nevada College in Incline). Don't forget: a successful voter registration drive must be a compliant one, so we would be sure to review the AAUW Guide to [GOTV Dos and Don'ts](#) on the National website.

**Voter Education.** AAUW aims to increase women's political influence and educate voters on issues that are important to women and girls. These targeted efforts help increase the number of women voting.

We could consider sponsoring nonpartisan issue forums, perhaps collaborating with another organization such as the League of Women Voters as well as our sister branches around the lake. Key AAUW issues: Equal Pay for Equal Work; Investing in Education; Reducing Student Debt; Strengthening Social Security; and Implementing Paid Leave.

**Truckee Parade.** Following up on last year's fun event, this is the 100th anniversary of Women's Suffrage—how about dressing as suffragettes? Combining with a vote registration effort by passing out forms? setting up a booth for registration? This is just a start...but early planning will ensure greater success! We can also ask our AAUW CA Public Policy Team for assistance.

If you have an interest in any of the above, please come to our meeting in January so we can get a jump on this.

### LEADERSHIP MEETING

January 9: 11:30 am, Fairway Community Ctr, TC.

## GENERAL MEETING

On **January 9, 2020**, come out to show your support for our branch at our general meeting, **1 pm** at the Fairway Community Center. Listen to our past co-President, **Jan Potter**, speak about her adventures in Patagonia. Family and friends are welcome. Light refreshments will be served.

### **"Adventuring in Patagonia" by Jan Potter**

*Living here, I know you love the mountains and blue waters of our region, so you are sure to love*

*"Adventuring in Patagonia". Back in the 70's when Yvon Chouinard chose Patagonia as the name of his company, he knew it was a beautiful vast land just waiting to be explored. It is still remote and wild, with little development and endless possibilities for "visitors like me". I had the opportunity to travel in Patagonia last March for two weeks as part of a month trip to Argentina. See you on January 9<sup>th</sup>.*

### **AAUW FUND**

January is the time of year when members of the Leadership Committee (elected and appointed officers) are asked to nominate candidates for the **AAUW Fund Named Gift Honoree** and for the **Branch Service Award**.

For every \$750 that our branch contributes each year to the AAUW Fund, we can nominate one Named Gift Honoree. This award is the highest honor we can bestow on a member for outstanding service in promoting the programs and goals of our branch and the national AAUW. This year, our branch managed to

donate \$1,531.50 to the AAUW Fund which means we qualify for **two Named Gift Honorees**. It is the first time since 2009 that we have had enough contributions to qualify for two Honorees. Thank you very much to everyone who donated to this worthy cause!

Recipients of this award in the past few years have been:

- 2019 Jan Potter
- 2018 Ruth Arizaga-Whisler
- 2017 Meri McEneny
- 2016 Nancy Cline
- 2015 Kym Pipkin
- 2014 Martha Cirata

The AAUW North Tahoe **Branch Service Award** was created a few years ago to complement the Named Gift Honoree, especially when there is more than one outstanding candidate. Whereas the Named Gift Honoree is an AAUW national award, the Branch Service Award is managed within the North Tahoe branch.

To qualify for the Branch Service Award, the candidate must have:

- 1- been a member for at least five years.
- 2- made significant contributions of time, mentoring, leadership, and recruiting.
- 3- held at least one elected or appointed board position.
- 4- performed as chairperson of an interest group

Past recipients of this award have been:

- 2019 Johnnie Lee Don
- 2018 Carol Eyre
- 2017 Nancy Cline
- 2016 Patricia Watters
- 2015 Darlene Rempfer
- 2014 Lynn Flagg

I will be contacting the Leadership Committee by email later this month for their nominations for these awards. So ladies, please think carefully about who you wish to honor this year for their outstanding service to AAUW.

The flyers for the junior girls, as well as applications and interest letters were brought to Jeff Ream, school counselor, on December 12<sup>th</sup>. He will get

them out before the winter break and contact some girls he feels would be good candidates. We will check with him after the break.

A phone message from the ALA representative verified that we are on the roster for the June 2020 event. This will also be verified after the winter break in January.

Tech Trek nominating forms and packets have been sent to our new nominating teachers at North Tahoe School: Julia Anderson, Science, and Devon Hamel, Math, after receiving the approval of Principal Chad Lindeen. I wanted to make sure that Chad didn't think his new teachers would be overloaded in their first semester. They are asked to submit their 10 nominations by January 10, 2020. Thank you, teachers!

STEM Trek day (STD) 2020 is scheduled for Saturday **May 9, 2020** at the TERC facility at Sierra Nevada College in Incline Village. The steering committee of Jan, Judy, Phoebe and Meri is focusing the event on Technology, Engineering and Mathematics. We have contacted the Society of Women Engineers in Reno, with an affiliate at UNR. Also planning something akin to Professional Women's Evening at Tech Trek, and a math challenge.

Wishing you all a very Happy New Year!

She joined our AAUW family in 1999 and was active in Book Club, Gourmet Group, Great Decisions and InStitches. She loved the outdoors, traveling the world and performing with the Tahoe Truckee Community Chorus. We miss her dearly and cherish the memories of times spent together.
