

General Meeting
Fairway Community Center
November 14, 2019

Presentation: Johnnie Lee D., began our General Meeting at 1 pm by introducing our guest presenters, Julie Vargo and Troy Corliss. They presented regarding the Tahoe Nordic Search and Rescue Program. The presentation was very informative regarding the types of rescues that occur in the Southern Sierra Region as well as in the Tahoe area. They also work with 4th grade students to educate them skills necessary to taking care of themselves should they encounter problems in the wilderness. It is called STOP, which stands for Stop, Think, Observe and Plan. Things that even as adults, we need to remember.

Call to Order: Our General Meeting followed this presentation and was called to order at 2:34 pm by co-president Ginger Wilson.
